

Industry Awards Recognize Excellence

For 40 years, Spectra Logic has developed and sold innovative data storage solutions into multiple markets around the globe. With over 125 patents and a strong investment in research and development, Spectra Logic has won many product, industry and corporate awards.

September 2019 – Computing Technology Product Awards Awards – Technology Innovator of the Year

Spectra Logic was shortlisted for the UK Computing Technology Product Awards' 2019 Technology Innovator of the Year award for its BlackPearl RioBroker. The Technology Innovator of the Year will be responsible for innovation, or will have introduced a new and creative change that had a positive impact on business.

September 2019 – UK IT Industry Awards – Infrastructure Innovation of the Year

Spectra Logic's BlackPearl RioBroker was shortlisted for the UK IT Industry Awards' 2019 Infrastructure Innovation of the Year award. The title is awarded to an innovative new product or service that has delivered measurable benefit for customers and outstanding performance throughout the UK computer industry.

August 2019 – CRN Channel Awards – Data Center Vendor of the Year

Spectra Logic is shortlisted for CRN's Channel Awards' 2019 Data Centre Vendor of the Year award. The awards celebrate the latest technology innovations and advancements, recognizing the ingenuity and exceptional achievements of the UK channel industry over the past twelve months.

August 2019 – IABM BaM Awards® at IBC 2019

Breaking away from outdated, hardware-centric industry models, the BaM Awards recognize outstanding technology innovators that deliver real business and creative benefits. Selected by a panel of 40 non-affiliated, expert judges, Spectra Logic's BlackPearl RioBroker was shortlisted in the Store category at IBC 2019.

August 1, 2019 – State of Colorado Proclamation – Spectra Logic Day

Honorable Governor of Colorado Jared Polis proclaimed August 1, 2019 as Spectra Logic Day in honor of Spectra's 40 years of Business Success.

July 2019 – APAC CIO Outlook – Top 10 HPC Solution Providers 2019

Spectra Logic was recognized by APAC CIO Outlook magazine as one of the top 10 solution providers in the high-performance computing (HPC) market. The award honors prominent companies in the industry that design, provide, deploy or manage the most advanced HPC solutions.

June 2019 – Storage Magazine – Object Storage Vendor of the Year

Spectra Logic was honored by Storage Magazine to receive the Object Storage Vendor of the Year designation. Each year, the Storries awards recognize the top data storage organizations and products in the world. With its BlackPearl Converged Storage System, Spectra leads the industry in delivering flexible, affordable and reliable object storage solutions for the modern data center.

May 2019 – CRN Women of the Channel Awards

Vice President of Corporate Marketing Betsy Doughty was listed in CRN's 2019 Women of the Channel List. The list honors influential women leaders with exceptional expertise and vision who drive channel growth and innovation.

February 2019 – 2019 CRN Channel Chiefs

Spectra Logic's Vice President of Corporate Marketing, Betsy Doughty, was named 2019 CRN Channel Chief by CRN magazine. These select 50 IT industry executives are the who's who of channel management—heading up the partner programs that solution providers depend on to run their businesses. CRN's honor recognizes Doughty's success in growing the Spectra channel partner program worldwide and in introducing exciting new applications to support its partners.

February 2019 – Network Computing Awards – Storage Product of the Year

The Network Computing Awards recognize vendors who excel in the computing, IT and storage domains, and whose products, solutions and projects promote innovation in the industry. Spectra Logic's BlackPearl Object Storage Disk Solution was selected as a finalist for the Storage Product of the Year category.

December 2018 – Digital Media World Awards – Production Storage/DAM

Spectra Logic's BlackPearl® Converged Storage System won the Production | Storage/DAM category. The Digital Media World Awards give recognition to companies that have used their products and services to develop new techniques and possibilities in broadcast content creation, delivery and management.

December 2018 – Digital Media World Awards – Post-Production Workflow Storage

The Spectra® Stack Tape Library won the Post Production | Workflow Storage Category.

October 2018 – SVC Awards – Vendor Program of the Year

SpectraEDGE was selected as a finalist for the 2018 SVC Awards for Vendor Channel Program of the Year. The award recognizes vendor channel programs in the storage, cloud and/or digitalization technologies market that have made a significant difference to their EMEA channel partners' business in terms of revenue increases, improved customer satisfaction or market awareness.

September 2018 – Computing Technology 2018 Awards

The Computing Technology Product Awards recognize the very best in technology talent. Spectra Logic is a finalist for the 2018 Computing Technology Awards in four important categories:

- Best Business Storage – Spectra Logic BlackPearl NAS
- Technology Innovator of the Year – Spectra Logic BlackPearl NAS
- Best Business Backup and Continuity Provider – Spectra Logic BlackPearl NAS
- Product of the Year – Spectra Logic Spectra Stack
